2017 Cub Scout Day Camp

May 31-June 3

Dear Leaders and Volunteers,

Thank you so much for giving your time to help the boys have a great Day Camp. We are excited about making this a fun and productive camp. **Below are camp guidelines we need you to be familiar with to help us all to work as a team.**

If you know anyone who would like to help with our camp this year please have them call Tammy Illguth at 322-5901. We need volunteers for many positions and a variety of times. Thank you so much.

We encourage you to find day care for your other children. If this is not possible we need a Tag-a-long registration form and BSA Health form filled out for each child. We are charging a fee also to offset the cost of supplies. Please be aware that Day Camp is a Cub Scout activity and some Tag-a-long children may not have the abilities to participate in some stations as they are created for scouts 7-11 years old.
