Lost Lake Camp Reservation Access Policy

Authorized Users: Access to Lost Lake Camp is granted only to the following groups of users. These user groups are listed in order of priority, from first priority (top priority) to last.

- **BSA Events:** Attendees and invited guests at Tanana Valley District, Bush District, or Midnight Sun Council sponsored Scouting events. Only those individuals who are registered as campers and adult leaders of a unit contingent will be permitted to stay overnight at camp.
- **BSA Units/Groups:** Boy Scout Troops, Venture Crews, Varsity Teams, Explorer Posts, Cub Scout Packs or Dens, and Learning for Life Groups with reservations and payment.
- **Rental Groups:** Groups or individuals not at camp as a BSA unit or not affiliated with Boy Scouts of America. This category includes private individuals, families, businesses, churches, or other organizations.
- **Lost Lake Property Owners:** Owners of one or more lots in Lost Lake Estates Subdivision or Lost Lake Hills Subdivision and their dependents. No use of equipment, supplies, or facilities is granted or implied nor is access guaranteed. Access is available only when no Boy Scouts or rental group is occupying the camp. Access to camp cannot be assumed. Permission must be granted prior to each visit by the camp ranger. **Access to the Binkley Climbing Center is prohibited at all times.** An open gate does not grant access to the camp.
 - Guests of Lost Lake property owners must be accompanied by a landowner, or the dependent of a landowner, at all times, while on camp property.
Violation of these rules will result in permanent revocation of access privilege for the offending property owner(s), their dependents, and guests and criminal trespassing charges will be filed.

Reservations: Midnight Sun Council reserves the right to refuse access to groups or individuals at the sole discretion of either the Camp Ranger or the Scout Executive. All rental groups and Cub/Boy Scout units not attending district or Council sponsored events must make reservations by calling the Earl and Pat Cook Council Service Center at 907-452-1976. Reservations should be made 30 or more days in advance to arrival at Lost Lake Camp. Lost Lake Camp is in great demand, so the sooner you reserve your group's time, the better chance you have of getting the dates you want. In the event your desired camp dates are already reserved, you may ask to be placed on a waiting list for that date, even if you decide to reserve another date as well. If a cancellation occurs, the people on the waiting list for that date will be called, in order, to see if they want to move to the newly available date.

- **Insurance Required:** Prior to arrival, all non-BSA rental organizations must provide legible documentation from their liability insurance company, showing Midnight Sun Council, BSA an insured party for \$1,000,000 during the period of camp use. If the COPE Course is being used the additional Insurance will be \$2,000,000.
- **Payment:** The Earl and Pat Cook Council Service Center will have all reservation forms and contracts. There must be a signed form and contract and a deposit of approximately 50% of the total rental fee within 10 days of placing the reservation or the reservation will be cancelled. **At the time of first payment, a copy of the Camp Access Policy will be provided and the rental group representative must sign that he/she has read and understands the Camp Access Policy and that their group agrees to follow all provisions of the Camp Access Policy.** Full payment must be made at the Council Office at least 7 day prior to arrival at camp, unless other arrangements are made, or the reservation will be cancelled. The price table details the rates for rental of camp. BSA units/events pay the standard rate for Youth Serving Non-Profit organizations.
- **Refunds:** Reservations may be cancelled by the reserving group at any time. If cancelled more than 30 days prior to the reserved date of arrival, a full refund of rental all rental fee payments will be made. If cancelled more than 14 days, but less than 30 days, prior to the reserved date of arrival, a 50% refund of all rental fee payments received will be made. If cancelled less than 14 days prior to arrival at camp, no refund will be made.

Arrival at Camp: The individual responsible for the group using camp will report to the Camp Ranger's home (on the right just before the entrance into camp) where he/she will present:

1. **A signed release**
2. **A hold harmless agreement**
3. **Proof of insurance (prior to getting the gate opened) and**
4. **All BSA units must show their approved tour permit to get access to camp!**

After these requirements have been met, the gate will be opened and a check-in walk through with the Ranger will occur to determine the facilities condition at sign-in. At this time the Ranger will also give the group a check-out sheet for their review detailing all cleaning, etc. that must be done before checking out. If the person listed on the reservation form will not be present at the primary point of contact, he or she must make prior arrangements with the Camp Ranger to designate an alternative individual to accomplish this step. The gate will not be opened for anyone other than the person of contact or a previously designated individual. A roster of all persons in camp as part of a BSA or rental group will be completed and submitted to the Camp Ranger before you check out of camp.

Departing Camp: After all facilities have been completely vacated and returned to a state of cleanliness and maintenance, as good or better than they were at check-in, the primary person of contact will call the Camp Ranger (907-699-5775) to accompany him/her on a check-out walk through. All cleaning, maintenance, and trash issues will be resolved prior to the check-out clearance form being signed by the Ranger. You will remove all trash with you. The signed check-out form is your group's proof of compliance. Groups, who depart camp without contacting the Ranger for a check-out walk through, will be charged a fee of \$100 plus \$25 per hour for all additional cleaning or repairs that must be completed by the camp Ranger.
