

**We are the ones  
We've been waiting for!**

Dear Community Business,

My name is Cynthia Erickson, founder of the child advocacy non-profit group, My Grandma's House. I am working on a Child Abuse Healing Journey/Walk taking place on June 15, 2018. We are planning on walking in Fairbanks then boating down the Yukon River with a group of 12 youth. It is going to be a healing journey for all involved. I will need all the help I can get in Fairbanks, Minto, Manley Hot Springs, Tanana, Ruby and Galena—boots on the ground! I have confirmed with Fred Meyer West and booked the Pioneer Park Civic Center for June 15. We plan to start gathering at 10am, beginning the Walk at Noon so others can join in on their lunch hour. I have kids flying in from all over Alaska. I will need to raise funds for airfare, housing, food, vehicles, signs, tee-shirts, fuel for boats, advertising—it is a lot! We will need volunteers, monetary and in-kind service donations, and silent auction/raffle donations.

Would you consider making an in-kind or monetary contribution? I would appreciate any and all assistance! For your donation, you will receive free advertisement during the walk, on our website, and of course a tax deductible receipt. Please text, call or email me if you would like to contribute. If I am not available, you may call or text Mo Duncan in Fairbanks for donation pick-up. Her contact is: (907) 388-2479.

We appreciate you supporting the children of Alaska.

Sincerely,

Cynthia Erickson
