October 26, 2017

As I reflect on our scouting heritage and consider our future, optimism and confidence come to mind. I trust you share my enthusiasm in looking forward to the 24th World Scout Jamboree in 2019. Isn't it exciting to have this world event at our very own Summit Bechtel Reserve in West Virginia?

The last time the United States hosted a World Scout Jamboree was in 1967 (Idaho) and while this jamboree will be in the United States, it is unique in that it is a team effort by Scouts Canada, Asociación de Scouts de México and the Boy Scouts of America.

The theme for the 24th World Scout Jamboree is "*Unlock a New World*" and reflects the new adventures, cultures and friendships that will be shared by Scouts from around the world as they come together to promote peace, mutual understanding, and respect in a warmly embracing Jamboree experience.

For many, this will be a once in a lifetime opportunity to not only enjoy the adventures at the Summit, but to also work with scouts from around the world in seeking answers and solutions to international questions and problems. Scouts will leave the jamboree with a wider view of the world, a deeper understanding of world scouting and a renewed commitment to scouting as a whole.

Together, with your help, we can communicate this great opportunity to our more than 2.3 million youth participants and nearly one million adult volunteers. Our 107-year heritage of leadership and service will continue, and I offer my sincere thanks for your support and partnership with promoting the WSJ.

Will you join me in promoting this event to all eligible scouts and scouters across the BSA? Together, we can invite and encourage them to "*Come See the World*" right here in West Virginia.

Yours in Scouting,

Dan Ownby
BSA International Commissioner

What is the 24th World Scout Jamboree?

The World Scout Jamboree is the largest camping event organized by the World Organization of the Scout Movement (WOSM), gathering as many as 50,000 Scouts and leaders from 169 National Scout Organizations. The 24th World Scout Jamboree (WSJ) is co-hosted by Scouts Canada, Association de Scouts de Mexico and the Boy Scouts of America. The last time the United States hosted a WSJ was in 1967 in Idaho.

The WSJ is an educational event bringing together young men and young women from around the world to promote peace, mutual understanding and to develop leadership skills. The Jamboree will feature the hallmarks of past world jamboree programs, such as the Global Development Village, the World Scout Centre, a special sustainability initiative, and the socialization elements that allow participants to make lifelong friends from around the world.

Participation is open to eligible men and women who are registered members in the Boy Scouts of America. World Scout Jamboree units will be organized on a regional (not Council) basis.

The theme for the 24th World Scout Jamboree is "*Unlock a New World*". This reflects the new adventures, cultures and friendships that will be shared by Scouts from around the world. We hope you can join us!

The United States Contingent is limited on the number of people that we can send to a World Scout Jamboree. While we will be able to send more to this jamboree than ever before, we expect there to be tremendous interest and encourage folks to apply as soon as possible.

When to apply:

The USA Contingent application system will open on November 1, 2017.

Application Process:

Participants, adult leaders and IST will complete an online application. Applications will be reviewed on both a Council and National level. Official information and a link to the online application can be found on the USA Contingent website: <https://wsj2019.us/apply>

Fees:

Total fees, along with a payment schedule will be published on November 1, 2017.

Early applicant discount: applicants who submit a \$250 deposit between November 1, 2017 and January 31, 2018, and make all payments on time will have a \$100 discount applied to their last payment. Payment schedule will be published on November 1, 2017.

What is included in the fee:

The participant and unit leader fees include registration for the Jamboree, meals at the Jamboree, tents, patrol and cooking gear. The fees also cover appropriate travel expenses (including food) between “Hub” cities and the jamboree. An appropriate number of “Hub” cities will be identified across the continental United States depending on the distribution of youth and leaders that make up the various units. Applicants will be responsible for the costs to get themselves to and from these “Hub” City locations.

Due to different travel costs, participant and leader fees may vary by region.

The IST fees will include all of these items except for transportation and travel related expenses. Transportation to and from the Jamboree will be the responsibility of the IST member based on when they need to report or depart from their staff assignment.

In an effort to reduce costs, there will be **NO TOURS** pre or post Jamboree.

Selection Process

The Boy Scouts of America is limited to the number of Participants and International Service Team Members it can send to a World Jamboree. Based on anticipated participation, space could be limited.

Participants will be notified, if they have been accepted or are being put on a waiting list. If they are put on a waiting list, they will continue to pay according to the payment schedule. Applicants on the waiting list that are not ultimately selected will receive a full refund (including initial deposit).

Leaders - There will be four leaders per unit and acceptance timing will be based on the filling of youth in the units which have been allocated to each region. Leaders will continue to pay, according to the Payment Schedule even

if they have not been confirmed. BSA regional leadership will select leaders based on the leader qualifications. Leader applicants who are not ultimately selected will receive a full refund. If a unit leader applicant is not selected for a unit leadership position, it would be encouraged that they consider modifying their registration status to that of an International Service Team member applicant. Once that modification is made in their application, selection for IST positions would be handled by the Host Committee. Female leadership is important in order to follow BSA policy on Co-Ed units.

IST – Once approved by their local council and the Boy Scouts of America Contingent leadership, the application will be sent to the World Jamboree Organizers (Host). The Host will notify the applicant of acceptance and job assignment. Some assignments likely will be given in 2018 and some in 2019. The applicant will need to continue to pay as per the fee schedule above. If an applicant is not ultimately accepted, they will receive a full refund.

Scholarship Program

A partial scholarship will be available based on need – more details around the scholarship program will be available on or before December 31, 2017. Partial scholarships will be applied to the final payments.

Other General Information

For an applicant to be considered, applicants' local council must have an International Representative (IR) registered with the International Department of BSA.

Prior to the Jamboree, online training for Participants, Leaders and IST will be required for all in the USA Contingent. This will be identified and provided during late 2018.

Participants must have a birthday between July 22, 2001 and July 21, 2005 to attend. IST must have a birthday before July 22, 2001. **There are no exceptions.**

A World Jamboree is a coed event and all BSA members are encouraged to apply. If a potential participant is currently not a member of the Boy Scouts of America due to current membership age requirements and would like to apply for the jamboree, they should contact your local council for further instructions. They will learn how to register in order to apply for the World Jamboree.

The Participants and Leaders from the USA Contingent will arrive on July 21st and depart August 2nd – the arrival day is a day earlier than the other contingents – this is to help the Jamboree Organizers (Host) welcome other participants and leaders from all around the world.

Participants and Leaders must travel with the USA Contingent from their Hub city to the Jamboree. Hub cities will be in the continental USA (i.e. those coming from Alaska, Hawaii, Far East Council and Transatlantic Council will need to provide their own means of transportation to and from the Hub city).

The Jamboree Organizing Committee has the authority to cancel the event due to compelling reasons. If the Jamboree is canceled because of events outside of BSA or the Jamboree Organizing Committee control (e.g., acts of terrorism, natural disasters), the BSA and jamboree organization may not refund the fees collected.

Any payment made after March 15, 2019 is subject to an additional \$50 late fee.
