2021 Cub Scout Day Camp

Dear Leaders and Parents attending camp,

Thank you so much for giving your time to help the kids have a fun and safe Day Camp experience. **Below are camp guidelines we need you to be familiar with to help us all to work as a team.** Our camp is **May 26-28 at Birch Hill Recreation Area.** In order to keep our families safe and to align with the current health advisories issued by the state of Alaska we have implemented careful precautions for our time at camp.

Leaders, please be early to greet your Scouts as they get to camp and to assist with completing daily screening of each participant. Please register as a Pack through the Council Office. After the popularity of the T-shirt designing station last year, we will once again be providing shirts and supplies for Scouts to make creative and original Day Camp shirts!

We encourage you to find day care for your younger children. If this is not possible please include them on your Pack form and include BSA Health forms for each child. Cub Scouts who are Tigers or older will be charged a **\$75** fee, and Tag-a-Longs/Lions will be charged a **\$50** fee. Please be aware that Day Camp is a Cub Scout activity and some Tag-a-longs/Lions may not have the abilities to participate in some stations as they are created for scouts 6-11 years old. Tag-a-longs/Lions (2-5 years) must stay with parent or guardian. Thank you for your time to help make Day Camp a success!

Farming Under the Midnight Sun!

Scout Family Information Page

Dear Scouting Family,

We are excited to announce plans for this year's Cub Scout Day Camp. Our camp is **May 26-28 at Birch Hill Recreation Area** from 8:30 am to 3:30 pm each day.

The fee for Cubs and children 6-11 is \$75.00. The Tag-a-long/Lion (2-5 years old) fee is \$50 dollars. These fees cover the cost of Day Camp and the program materials for each age group.

The safety of our Scouting families and volunteers is vitally important to us. We will be acting in accordance with the latest guidelines from the state of Alaska and have enclosed a Pre-Screening Health Checklist for Parents/Guardians to use to screen their children each day before attending Day Camp. **If your child is unable to pass the Pre-Screening Checklist, we will be offering refunds at an amount prorated for each day missed.**

If Parents are attending, we encourage you to find day care for your younger children. If this is not possible, please include them on your Pack registration. Tag-a-longs, Lions, and any siblings older than 11 must stay with their parent/guardian at all times. Please be aware that Day Camp is a Cub Scout activity, but these attendees may not have the ability to participate in some stations as they are created for Cub Scouts 6-11 years old.

We are always in need of more helpers for Camp, and we wouldn't be able to put on such a great program for our Scouts without a team of Volunteers! If you or anyone you know might be willing to volunteer at camp please have them contact the Program Director, Maria Mingus at 614-302-3038.

Model COVID-19 Pre-Event Medical Screening Checklist

Use this checklist to assist in identifying potential COVID-19 cases before event participation.

Review with each youth and adult participant their current health status, both before departure and upon arrival at the event. **Anyone entering a camp or event – including visitors, vendors, etc. – must be screened.**

Councils should customize with input from their council health supervisor and local health department.

- Yes No Have you or has anyone in your household been in [close contact*](#) in the past 14 days with anyone known or suspected to have COVID-19 or is otherwise sick?
- Yes No Have you or has anyone in your household been in [close contact*](#) with anyone who has been tested for COVID-19 and is waiting for results?
- Yes No Have you or has anyone in your household been sick in the past 14 days, or have you or they been tested for any illness and are waiting for results?
- Yes No Has anyone in your household been exposed to an individual known or suspected to have COVID-19 in the past 14 days?
- Yes No Have you or has anyone you have been in [close contact*](#) with traveled on a cruise ship or internationally or to an area with a known communicable disease outbreak in the past 14 days?

***According to the Centers for Disease Control and Prevention (CDC), "close contact" means:**

- You were within 6 feet of someone who has COVID-19 for a cumulative total of 15 minutes or more over a 24-hour period
- You had direct physical contact with an infected person (hugged or kissed them)
- You shared eating or drinking utensils
- An infected person sneezed, coughed, or otherwise got respiratory droplets on you

If the answer is YES to any one of the five questions above, the participant must stay home.

If all answers above are NO, proceed to the symptoms list below.

Symptoms of COVID-19

If anyone in your household has any one of the following new or worsening signs or symptoms of possible COVID-19, the entire household must stay home.

- Shortness of breath**
- Cough**
- Fever of 100.0° or greater**
- Flu-like symptoms**
- Repeated shaking with chills**
- Fatigue**
- Muscle or body aches**
- Headache**
- Sore throat**
- Loss of taste or smell**
- Diarrhea**
- Nausea or vomiting**

****Potential Higher-Risk Individuals****

- Yes No Are you in a higher-risk category as defined by the [CDC guidelines](#), including older adults, people with medical conditions, and those with other individual circumstances?

If the answer is "yes," we recommend that you stay home.

Should you choose to participate, you must have approval from your health care provider.
