**Council President**

Bob Groseclose

Friends and colleagues, every year the Midnight Sun Council hosts a Sporting Clays Event during the first Saturday in August, this year it's August 3rd. This fundraising event benefits the local Boy Scouting program which focuses on youth character development, moral and ethical decision making, team building, leadership, adventure, and fun outdoors.

**Council Commissioner**

Matt Cooper

**Council Treasurer**

Kal Kennedy

Here is the program - Teams of five will rotate through 4 rounds of clays and compete as a team for highest hits. We also plan to hold the annual Annie Oakley individual competition right after a lunch of hamburgers and hotdogs (free for shooters-\$10 for spectators).

**Immediate Past President**

Matt Cooper

Continental breakfast, water and coffee provided while supplies last. Raffle prizes like Shotguns, Alaska Railroad Tickets, Fishing trips and more will be raffled (MUST be present to win).

**Vice Presidents**

This is a beneficial venue for us to serve the youth of interior Alaska and teach the values and foundation that the scouting programs provide. To do that, every event, program, and training that happens is run by donations and gifts from outside our community and from within our community by organizations and individuals that see the value in our program. We ask that you consider becoming one of our sponsors by filling out the included sponsorship form. We ask that the team sign up form be filled out with shooters' names so that we can expedite the sign in process at the event.
