## Fairbanks Area Teen Set to Soar as One of the Nation's First Female Eagle Scouts

This Young Woman is Set to be Among Hundreds in the  
Inaugural Class of Female Eagle Scouts

*Sarah Coss (Trp 1138G)*

Fairbanks teen Sarah Coss of Troop 1138G, chartered to the Catholic Schools of Fairbanks made history on 12/22/2020, which set her to become one of the nation's first female Eagle Scouts - a prestigious achievement attained by some of the country's most noteworthy figures. Sarah is among hundreds of young women who will make up the Inaugural Class of female Eagle Scouts.

"Earning the rank of Eagle Scout takes hard work and perseverance, and we are honored to recognize Sarah for this significant accomplishment," said Stephen Smith, Scout Executive/CEO. "Along the journey to Eagle Scout, young people gain new skills, learn to overcome obstacles and demonstrate leadership among their peers and in their communities. These benefits are invaluable for everyone, and we are thrilled that they are now available to even more youth."

Young women have been part of Scouting for decades in co-ed programs offered by the Boy Scouts of America (BSA), including Sea Scouts, Venturing, Exploring and STEM Scouts. The BSA expanded that legacy further in recent years by welcoming girls into Cub Scouts and then into Scouts BSA last February. Scouts BSA is the program for youth ages 11 to 17 previously known as Boy Scouts. Since then, tens of thousands of young women throughout Alaska and

across the country have joined the organization's most iconic program with many, including Sarah, working their way toward the rank of Eagle Scout.

Eagle Scout is the program's highest rank, which only about 6% of Scouts achieve on average. To earn it, an individual has to take on leadership roles within their troop and their community; earn a minimum of 21 merit badges that cover a broad range of topics including first aid and safety, civics, business and the environment; and they must research, organize and complete a large community service project.

Sarah's Eagle Scout project was building a permanent orienteering course at the UAF trails, as well as creating a map to go along with the course. She planned and oversaw each step in the project leading up to the installation of the posts, including recruiting fellow Scouts to verify that the posts correlated with the locations marked on the map! This is a permanent installment that will be enjoyed by members of the Fairbanks community for years to come.

In addition to gaining skills that last a lifetime, individuals who earn the esteemed Eagle Scout rank can reference it for academic, vocational, and military recognition, including scholarships and advanced enlistment grade.

Sarah joins her brother Jonathan, who earned his Eagle just one month prior to Sarah, while her other brother David is close to earning his.

### Silver Beaver Award and District Award of Merit Nominations

Do you have a Scouter in mind that deserves to be recognized for their work above and beyond the responsibilities of their volunteer position?

The Midnight Sun Council is seeking nominations for The Silver Beaver Award and the District Award of Merit.

The Silver Beaver Award was introduced in 1931 and is a council-level distinguished service award of the Boy Scouts of America. Recipients of this award are registered Scouters who have made an impact on the lives of youth through service given to the council.

The nomination form can be found at this link:

[https://filestore.scouting.org/filestore/pdf/512-103\\_WB.pdf](https://filestore.scouting.org/filestore/pdf/512-103_WB.pdf)

The District Award of Merit is a council award presented by districts in the same manner that the Silver Beaver is a national award presented by councils and is available to Scouters who render service of an outstanding nature at the district level. The nomination form can be found at this link:

<https://filestore.scouting.org/filestore/pdf/33720.pdf>

To prevent embarrassment, the candidate should not be notified of this nomination. Awards will be given out at the Annual Dinner May 8, 2021 and **nominations must be received by the council office no later than March 31, 2021.**

forward to the office.

It's critical that we all continue to keep youth protection top-of-mind whether our Scouting activities are taking place in person or through a digital platform.

Of note, remember that BSA prohibits any one-on-one interaction between an adult leader and a Scout - in person, online, through a web conference, over the phone, via text, or in any other form.

Detailed youth protection information is [available here](#).

To ensure you are following safety standards for all Scouting activities, please reference the [Guide to Safe Scouting](#).

The [BSA's Social Media Guidelines](#) serve as a complement to our youth protection policies.

Please remember that the Midnight Sun Council requires YPT to be renewed annually to be considered current!

## Safety Corner

Two recently published [safety moments](#) that focus on the dangers and possible tragic consequences of unsupervised activity are now available. You may use them in your meetings, newsletters and publications to highlight the importance of Scouting's buddy system and two-deep adult supervision [requirements](#) that exist both to prevent abuse and safeguard against tragedy.

- Adult leaders emphasize the buddy system in unit planning and training activities.
- Adults supervise youth activities.
- Two-deep adult supervision by registered adult leaders 21 years of age or over are required for all Scouting activities.
- This includes patrol activities. These enhanced requirements have been in effect since October 2018.

BSA's national Cub Scout staff have put together some fun activity videos that can be useful Cub Scout recruiting tools. The YouTube videos are short, 2 to 5 minutes, with a purpose and an activity. Activities are all requirements found in our program. They are not branded as BSA or Cub Scouts.

Please check with your members to make sure their most current information is listed so our records stay up to date.

New Background Check Forms came out last year. Please make sure that your adults all have turned in the new form, as registrations cannot be processed without them. Youth Protection is a serious part of scouting and our council requires all adults to renew their certification each year. Registrations cannot be processed without a current certificate.
