Jun 13 - Beaver Day

Jun 17 - Legends and Heroes Banquet @ 6 pm

Happy Retirement Richard!

It is with mixed emotions that we announce the retirement of our beloved ranger, Ranger Rick, on April 26th.

Richard has been with us for over 14 years, serving Lost Lake, community groups, and countless scouts and scouters. Richard has overseen many, many projects at Lost Lake, including the construction of the Ranger facility, the building of the high adventure cabins, greenhouse, campfire ring, the rifle range, and the shotgun range, to name just a few. He also worked on removing buildings that were beyond repair, like the Alyeska Building (now the parking lot) and Director's Cabin. He served numerous community groups that rented camp, by running the ranges and COPE course for them. To say a lot of things have been accomplished during Richard's

Jun 17 - Bush District Roundtable @ 6:15 pm
Jun 17 - Bush District Meeting @ 6:45 pm

Video Contest Kick Off!

Earn this patch for every registered member in your Unit by submitting a 30/60 second video!

□ Best video submission receives \$150 deposit into Units account and a Unit pizza party.

□ Funniest OR most heartfelt earns \$100

time as our Ranger is a vast understatement. He has served with dedication and commitment. Ranger Rick will be missed, but we wish him the best as he takes on his new role as a retired individual. He plans on taking some time to himself, do some traveling, and we may still see him upon occasion.

Come to the University of Scouting on Saturday, April 25th at noon to partake in Richard's retirement celebration, located at the Fairbanks First United Methodist Church, 915 Second Avenue, Fairbanks.

Please contact the office to let us know if you can attend, 907-452-1976.

Congratulations Richard and we hope to see you down the trail.

New Ranger Announced

It is with great pleasure that we announce Glen Stebbins as our new Ranger for Lost Lake Scout Camp and the Northern Lights High Adventure Base.

You may recognize Glen from his volunteering at the annual Haunted Trail, or maybe even as your Cubmaster from a few years back. Glen brings a lot of experience, from working all over the state, as a Journeyman Laborer and Journeyman Carpenter. Glen designed and built his own home for his family.

Glen will be starting on April 16th, in order to work with Richard to get the lay of the land. Glen and his wife Tasmine will be moving to camp as we move forward with the transition between him and Richard.

Please welcome Glen as he begins his new career as our Ranger.

deposit into Units account.

□ Honorable mentions also receive a Unit pizza party

Show off those uniforms, tell us why your part of the movement, what did you learn, most enjoyable moments in Scouting. You get the picture.

Deadline Extended: April 30th, 2026

Submit to Midnightsunbsa@gmail.com

Midnight Sun Council Alumni Committee

The Midnight Sun Council (MSC) has established an executive board level Alumni Committee that directs Alumni actions within the council.

Affiliate groups fall under the umbrella of the Alumni Committee.

Current MSC affiliates include:
National Eagle Scout Association
Chapter, Order of the Arrow Alliance,
Lost Lake Camp Alumni and MSC
Alumni Group.

Since we are a small council, the alumni committee is currently coordinating and organizing all affiliate activities.

The MSC National Eagle Scout Association Chapter presented the first Eagle Scout Project of the Year at the December Distinguished Citizen

Kids Fishing Derby!
At Lost Lake Scout Camp

We had fantastic weather on the ice and 110 anglers!

The largest fish caught all day was a Arctic Char measuring 19" long and was caught by Syo Karter (Nice fish young man!)

We want to Thank Rodney, Cotton and Trevor from Rods Alaskan Guide Service for drilling over 500 holes and re-rigging more fishing poles than I could count!

Deep gratification to our Sponsors!

2026 Fund the Adventure Campaign Kick off!

This year our theme will celebrate great achievements along with the 250 th year for the United States! This year's we will celebrate historic milestones through our nation's history. Everyone's campaign will begin during the Revolutionary War time frame. As your "Time Traveling team or Unit" secures donations then your team will unlock year specific details and milestones for your measure. Milestone information that may or may not be depicted on this year's special "FUND THE ADVENTURE" patch bordered in Red White and Blue!

Units are already scheduling FOS presentations beginning in February. If you want to schedule a meeting let us know at round table or contact CJ or Tasmine to schedule a presentation.

Board Fund the Adventure FOS Campaign

As the tenth week of our board campaign concludes we achieve 48.82% (or \$32,465.00) of our overall goal of \$66,500. Keep up the work everyone. March was a big month for the board campaign (which we missed our goal achievement, but we are making up ground in April!).

April brought another 10K added to our goal total so by the end of this month we should be at \$38,500.00. Just \$6035 (preferably more) by April 30th... We can do this, let's hit our prospects and achieve our goal! We have had significant donations this week and we have some teams VERY close on our timeline and possibly even in the same grandstands or muddy field watching history happen!

Board Campaign Time Traveling Status

Team Delorean Found a replacement Ka-new-tor valve and got the time machine to jump to life! Dan jumped into the driver's seat of the flat gray car and punched the gas speeding out of the dusty barn they had been stuck in for 3 weeks! Brandon flips the now fixed switch on the Flux Capacitor, and the tires burn for 80 feet on the grass field before a flash!

The crew find themselves in 1865, the year the Civil War ended. The Civil War effectively ended on April 9, 1865, when General Robert E. Lee surrendered the Army of Northern Virginia to Union General Ulysses S. Grant at Appomattox Court House. However, the war was not officially declared over until President Andrew Johnson's proclamation on August 20, 1866, where we leave this weeks' time traveling leaders. The team watches President Andrew Johnson's Speech announcing the end of the war. The team sits at \$6,855.00 (nearly twice the amount from the last report. Great work team and let's see how far you can get this next week!

Achieved 41.23% of their goal

Team Quantum Accelerator after their exploration, they jumped forward in time to Boston on March 10, 1876. Peering through a window from the street at the Bell & Watson laboratory located at 5 Exeter Place in Boston. They see Mr. Bell speak into his "electrical speech machine" known today

as the telephone. "Mr. Watson, come here! I want to see you." It was recorded in history as the very first telephone transmission. News of Bell's invention quickly spread throughout the country, even throughout Europe. The first long distance telephone call was made on August 10, 1876 by Bell from the family home in Brantford, Ontario to his assistant located in Paris, Ontario, ten miles away. By 1878, Bell had set up the first telephone exchange in New Haven, Connecticut. Long distance connections were made between Boston, Massachusetts and New York City by 1884, (the year IEEE was founded.) The Team moved from 25.38% or \$4,220.00 to 44.93% or \$7470.00. Great work this week team!

TEAM TARDIS is getting comfortable watching the Wright Brothers invent the first airplane. They have been watching the aeronautics displays, failings and successes!

Little do they know that

The Hot tub Time Machine team took a short cut and took a history lesson about old Snow Machines grabbing a hefty donation and propelling them a few weeks ahead of TARDIS and is already working to jump time again. Their focus this next week is to get to and past 1910, when the Boy Scouts of America was founded!

Both teams are near Kitty Hawk, North Carolina where Orville and Wilbur Wright make the first successful flight of a self-propelled, heavier-than-air aircraft on

December 17, 1903. Orville piloted the gasoline-powered, propeller-driven biplane, which stayed aloft for 12 seconds and covered 120 feet on its inaugural flight. In 1901 the Wright brothers built a wind tunnel where they tested nearly 200 wings and airframes of different shapes and designs for gliders. The brothers' systematic experimentations paid off—they flew hundreds of successful flights in their 1902 glider at Kill Devils Hills near Kitty Hawk. Their biplane glider featured a steering system, based on a movable rudder, that solved the problem of controlled flight. In Dayton, they designed a 12-horsepower internal combustion engine with the assistance of machinist Charles Taylor and built a new aircraft to house it. They transported their aircraft in pieces to Kitty Hawk in the autumn of 1903, assembled it, made a few further tests, and on December 14 Orville made the first attempt at powered flight. The engine stalled during take-off and the plane was damaged, and they spent three days repairing it. Then at 10:35 a.m. on December 17, in front of five witnesses, the aircraft ran down a monorail track and into the air, staying aloft for 12 seconds and flying 120 feet. The modern aviation age was born. Wilbur flew the last flight of the day, covering 852 feet in 59 seconds. During the next few years, they further developed airplanes but kept a low profile in order to secure patents and contracts. By 1905, their aircraft could perform complex maneuvers and remain aloft for up to 39 minutes at a time. In 1908, they traveled to France and made their first public flights, arousing widespread public excitement. In 1909, the U.S. Army's Signal Corps purchased a specially constructed plane, and the brothers founded the Wright Company to build and market their aircraft. Wilbur Wright died of typhoid fever in 1912; Orville lived until 1948.

Team Hot Tub jumped past Team Tardis by \$40.00 retaking the lead! The Hot tub sits at \$9,090.00 and TARDIS sits at \$9,050.00. Both teams are doing fantastic and moving along the timeline. Keep it up!

Time Travel Checkpoints:

\$0 1775 "Shot Heard Around the World" is our kickoff
\$1,000 1776 Declaration of Independence
\$2,500 1787 Constitution Signed
\$4,100 1803 Louisiana Purchase
\$5,700 1865 End of the Civil War
\$7,300 1876 Invention of the Telephone
\$8,900 1903 Invention of the Airplane
\$10,500 1910 Boy Scouts of America was formed
\$12,100 1959 Alaska becomes the 49th state
\$13,725 1969 The Moon Landing
\$15,000 2004 Facebook started
\$16,625 2026 250th Birthday of the United States

Keep up the good work everyone, If you haven't made your pledges or started to hit up prospects I urge you to get moving post haste.

Sherpa Throw

Soft America 250 Sherpa throw blanket celebrating 250 years of American independence. 50 x 70 inch throw blanket

Stickers

Bold America 250 anniversary vinyl sticker for indoor or outdoor use.

Cap

America 250 chino twill cap with adjustable fit and 3D embroidery.

Collectible Coin

This folding coin celebrates 250 years of American history and honors the spirit of Scouting. It features a bold American flag on the front with the message Celebrating America's 250th. Inside, it displays America 250 and Scouting America with the fleur-de-lis. The back includes the “I Love You So” campfire song, making it a meaningful keepsake for anyone who has shared memories around a fire, sung with friends, or lived the Scouting experience.

Pin

Honor a historic milestone with the America 250 Pin. This pin marks 250 years of American history and is a simple way to show your pride during Scouting events, community celebrations, and everyday wear

WOAdstOAK

From March 20th to the 22nd, members of Toontuk Lodge took part in their annual WOAdstOAK weekend.

Meant to be a fun weekend of brotherhood and fellowship, their sense of service still drives them to do service projects for part of their time in camp. This time they decided to help put our new bunk beds together so they will be ready for summer camp.

A big thank you to our member's service to Lost Lake and Scouting in general.

Toontuk Lodge's Spring Induction is scheduled for May 15th to 17th at Lost Lake Camp. If your unit still needs to do elections, please contact Toontuk Lodge.

- **SYT Refresher Training now available!**

The new 20-minute Safeguarding Youth (SYT) Refresher course is Live.

If you have not taken the full 90 Minute course, you must take that first before you can take the refresher to get full SYT credit.

If your SYT is expired for 7 days or more, you must take the full 90-minute course again.

If you fail the course quiz on the refresher course with less than an 80% on your first attempt, you will be directed back to the full 90 minute course.

If you took the previous YPT course, you must take the full 90-minute SYT course. Taking the Refresher will not give you credit.

The course is available in the Volunteer Learn Center in English and Spanish.

- Safeguarding Youth Refresher
- Curso de actualización SYT

Scouting America Introduces Safeguarding Youth Parents' Guide Video

As Scouting America continues to invest in prevention efforts, we have recently introduced [this Parents' Guide video](#), which will also be sent directly to the parents of new members.

With this new asset, we aim to share key aspects of our Safeguarding approach with new parents while encouraging them to take the full [Safeguarding Youth Training](#) and join the journey with their child.

This video doesn't replace the written Parent Guides but instead acknowledges that people absorb information in different formats. Please watch it, share it with your parents and volunteers, and encourage them to share it with their own networks.

Watch the video here: [Scouting America Safeguarding Youth Training - Parents Video](#)

Reminder: *The Midnight Sun Council requires all registered adults to complete their safeguarding youth training on an annual basis.*

Scouting America Launches Enhanced Safeguarding Youth Training

Scouting America has unveiled a new comprehensive Safeguarding Youth Training (SYT) program, reinforcing its unwavering commitment to creating the safest possible environment for young people. This updated training represents a significant step forward in Scouting America's multi-layered approach to youth protection.

The new training is mandatory for all registered adult volunteers and has been developed with insights from leading experts in child safety, law enforcement, and child psychology. It incorporates the latest strategies for recognizing, responding to, and preventing various forms of abuse, including emotional, physical, and sexual abuse.

After the new Safeguarding Youth Training is taken, National requires a yearly refresher course.

Key Features of the Updated Training:

Comprehensive Focus: Our new Safeguarding Youth Training (formerly Youth Protection Training) program reflects the more comprehensive nature of the training and its focus on safeguarding youth from all threats.

Inclusive Content: The training covers a wide range of topics, ensuring volunteers are well-informed about potential risks and best practices for youth protection.

Annual Refresher Courses: Recognizing the ongoing need for education and awareness, Scouting America will now require annual refresher courses, estimated to take 15-20 minutes, to keep youth protection knowledge current.

Alignment with Best Practices: Scouting America regularly consults with experts to ensure its policies and training reflect the most up-to-date knowledge and prevention techniques in the field of youth safety.

Focus on Prevention: The training emphasizes proactive measures to prevent abuse and create a culture of safety within Scouting.

For the Midnight Sun Council, your existing Youth Protection Training remains valid until May 31, 2026, at which point the new Safeguarding Youth Training will be required.

Scouting America's proactive approach to youth safety underscores its dedication to providing a secure and enriching environment where young people can learn, grow, and thrive. The launch of this enhanced Safeguarding Youth Training demonstrates a continuous effort to adapt and improve safety measures, ensuring the well-being of all Scouts remains the top priority.

Join Our Northern Lights High Adventure Staff for 2026!

Are you over 18, passionate about the outdoors, and eager for a summer filled with adventure? The Midnight Sun Council is excited to announce staffing opportunities for our Northern Lights High Adventure program! We're looking for dedicated individuals with experience in trekking, canoeing, and wilderness guiding. If you hold special certifications in these areas, we want to hear from you!

This is a rewarding opportunity to immerse yourself in the breathtaking Alaskan wilderness while guiding scouts through incredible outdoor experiences. However, we want to be upfront: this role will involve hard work, long days, and modest pay. You will be challenged both physically and mentally, but the fulfillment that comes from teaching and leading young adventurers is truly unparalleled.

Working with the Northern Lights High Adventure program means you'll be part of a supportive team, creating memories that last a lifetime—not just for the scouts, but for you as well. This is your chance to explore some of the most stunning landscapes Alaska has to offer while making a real impact on the lives of young people.

If you're ready to embrace the challenge and adventure of a lifetime, apply to be part of our Northern Lights High Adventure staff this summer!

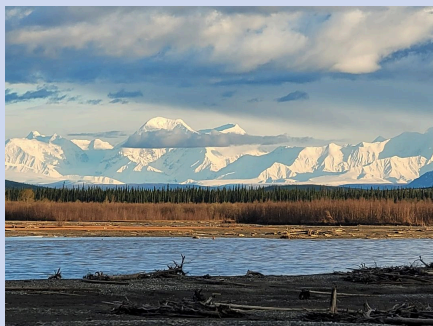

To apply, please fill out the form below:

[High Adventure Staff application](#)

You can email your application to Stephen Smith at stephen.smith@scouting.org or send it via mail to Midnight Sun Council, Attn: Stephen Smith, 1400 Gillam Way, Fairbanks, AK 99701

We look forward to your application and hope to see you this summer!
