Cub Day Camp Was So Fun

Cub Scout Day Camp was held at Birch Hill Recreation Area on June 1-3rd. We had 33 youth in attendance. Through the theme, Weird Science, the Cubs did lots of fun

stuff including building and launching paper rockets, making Slime and ice cream and participating science experiments. They also learned about shooting sports safety with Sling Shots, Archery and BB guns. They played lots of games, hiked, and enjoyed the outdoors. Many adult and older Scout volunteers were on hand to give them a fun and safe experience. Special thanks to Program Director, Jodi Tansky, and the team she put together!

Spring Camporee Was a Success

Due to our late spring, Spring Camporee was moved to June 3-5th. It was held at the Harding Lake Recreation Area and Scouts BSA members loved the location. We had 8 Troops attend with a total of 53 Scouts.

They were able to work on Pioneering and First Aid merit badges. They assembled an impressive rope bridge and tested their skills with competitions ranging from building launchers and making desserts in Dutch Ovens. Troop 20 walked away with the antler award and Troop 38 won the spirit award. Special thanks to Jon Emmett, Troop 42 and Troop 84 for planning the event and Toontuk Lodge for hosting the Campfire.

The Tanana Valley District is looking for volunteers to serve as Unit Commissioners!

These individuals play a key role in supporting our units with focused attention and serve as a bridge between the unit and available District or Council Resources. Please reach out to Leanne Bulger at leanne.bulger@gmail.com to learn more!

The 2nd Legends & Heroes Banquet in honor of Craig Compeau and Monte Pearson was a terrific success!

Over 160 Alaskans from around the state came to pay tribute to these two deserving individuals. The Prime Rib was out of the world, thanks to Tommy G's for preparing them and Jon from Fairbanks Stump Grinders for supplying them. We also had some fantastic pulled pork smoked by David Pruhs which was supplied by Midtown meats. If you weren't there you missed out! We had a "Dutch Oven Demo" by some local Scouts and their adult leaders. A superb call out auction supported by Jerri Wagner, Richard Baumfalk, David Lambert, Leon Unruh, the Spur and a few other anonymous donors of items. We do have the start of a new Legends & Heroes custom.... The Alaska Song which was sung solo by Johnny Hajdukovich!! What a fantastic time we had!

Thank you so much to all the local Alaskans that came out to support us as well as our event sponsors listed below:

Everts Air Cargo – Chena Hot Springs Resort – Midtown Meats – Pearsons Auto – Playwright Marketing – Compeaus – Bennett Engineering – Fairbanks Stump Grinders – Somers and Sotheby's Realty

With the local support and sponsorships, we did a very good job at having fun, honoring our awardees, and raising money for the Boy Scouts locally. Thanks for a superb event!

Scouts even got to see the control tower, the radar system and go on a flight! There were many volunteers on hand to give the Scouts a glimpse at many careers that aviation has to offer including operations and pilots. 20 Scouts completed their badge. Update to Scouts BSA joining requirements opens the door to more young people

While Scouts love to climb mountains and hike across rugged terrain, their path to joining Scouts BSA shouldn't be met with similarly daunting obstacles.

To that end, a change to the Scouts BSA joining requirements will make it easier for young people to join a troop alongside their friends and classmates.

Effective April 18, 2022, the Scouts BSA joining requirements have changed. They now state that a young person can be a member of Scouts BSA if they meet **any** of these requirements below.

New Scouts BSA joining requirements (effective April 18, 2022)

- At least 10 years old, currently in the fifth grade and register on or after March 1
- or
- At least 10 years old and have earned the Arrow of Light Award
- or
- At least 11 years old (but not yet 18)

An option to cross over

Some parents might wonder whether a Cub Scout working on Arrow of Light *must* move to a Scouts BSA troop if they turn 11 but haven't finished the rank.

The answer is no. The pack can continue to work on rank advancement as normal and move the Scout into a troop when they complete the rank or at the regular program roll-up in June.

In other words, the only mandatory crossover is when they have completed the fifth grade. Like all the other ranks in Cub Scouting, once school ends, the Cub Scout is now the next rank.
