

Lost Lake Scout Camp Beaver Day

Beaver Day is an important time each year at Lost Lake Scout Camp to help prepare them for the summer and make sure they are in great shape. This can't be done without lots of hands. Older Scouts, Scouters, and Parents are invited to participate in Beaver Day events. Scouters with skills in carpentry, electrical, plumbing, or other trades are especially encouraged to attend.

This is a one day event but participants are welcome to camp or stay in a cabin free of charge Friday or Saturday night, or both. Campsites and cabins are on a first come first served basis, so sign up early to reserve your accommodations.

Help make sure Lost Lake Scout Camp is ready for summer! Sign-up today to lend a hand at our upcoming Beaver Day! Register by coming by the Midnight Sun Council office or call 907-452-1976.
