

Vision 2020

Philmont Training Center Conference for Latter-day Saint Scouting Families

On January 1, 2020, The Church of Jesus Christ of Latter-day Saints discontinued its chartered partnership with the Boy Scouts of America. However, many Church families still wish to continue their Scouting journey. How can these families find the information, resources, and training to be involved in or begin new Scouting units?

Come to **Vision 2020**, a unique opportunity for Latter-day Saint families to attend Philmont together and learn the skills necessary to continue Scouting! This exciting new Philmont course is a catalyst for increased knowledge and energy among the Scouting community and will set the groundwork for important membership development as Latter-day Saint families transfer to new units in 2020.

This exciting week at Philmont will provide specific support, training, and information to help Scouting families find a new charter organization, start a Scouting unit, organize a committee, recruit youth, train adult and youth leaders, fund raise, develop an annual plan, and learn other skills necessary to continue Scouting with energy, increased knowledge, and optimism.

Come enjoy the trademark family events of Philmont: spouse activities, children age groups, mountain trek, family hiking, western night, children's parade, family dancing, campfires, and so much more! A memorable family vacation that will jumpstart a new Scouting legacy in 2020.

Dates: Saturday, June 13th- Saturday, June 20th, 2020

Bring the whole family for a unique Philmont experience!

“I invite you to join us this summer at the Philmont Training Center for Vision 2020 – an opportunity for Latter-day Saint families, Scouting leaders, council and district key 3s with a significant number of Latter-day Saint youth to learn how to help youth continue and even improve their Scouting Adventure – in the beautiful and memorable Scouting tradition of Philmont Scout Ranch. I look forward to seeing you there.”
