

**DONATE  
TODAY!**

Scan the QR Code  
to donate.  
Any amount will help!

100% of donations  
fund The Door  
Youth Shelter Project.

The **Midnight Sun Council, Scouting America** is working with **The Door Youth Shelter** to prepare mental health and wellness kits for youth in our community who could use a little extra support.

These small things can make a big difference in the daily life of someone who is learning healthy coping skills.

Items have been hand-picked by youth advocates and include things like gum, fidget toys, essential oil roll-ons, therapeutic art supplies, chap stick, and more!

**Cub Scouts Packs will start  
assembling the first round  
of care packs on December 1st!**
